It is also important that your stand staff operate a safe system of work. You are responsible for identifying all aspects of your stand which could present a hazard.

# CAMPING & MOORING

## Crick's simplest solution to your accommodation needs

At the Crick Boat Show, we are aware that many of you travel far and wide to reach us and are therefore in need of somewhere to rest between Show days. Why not stay with us at the Crick Boat Show? We have hot showers and dedicated toilet/washing facilities.

### Campsite Space

If you have a tent, caravan or motorhome, you can book a space on our campsite, which is **available to exhibitors from 11am on Thursday 24 May until 11am on Tuesday 29 May**. Exceptions only by prior arrangement with the organiser. The site provides access to water, showers, toilets, sanitary and refuse disposal. Please note that vehicles must be parked inside pitches. The campsite has a gentle gradient and is therefore not entirely flat. Please note, Show passes are not included in the price of campsite or mooring space and must be purchased separately. Please book using the form below. We recommend you complete this form and return it with payment as soon as possible – spaces are limited and will sell out in advance of the Show. Bookings are on a first come, first served basis. Please make cheques payable to Crick Boat Show and return to Ian Sharpe, WW Shows Ltd, 151 Station Street, Burton-on-Trent, Staffordshire DE14 1BG. Alternative methods of payment are available; please contact us for details.

### Online Mooring Space

If you are bringing your boat to the Show you can book a space along the towpath. Moorings are available from 8am on Friday 25 May until 7pm on Monday 28 May. Exceptions only by prior arrangement with the organiser. Moorings in 2018 will be divided into 3 zones based upon the distance to the footbridge across the canal.

**Please note: Early Bird booking discounts do not apply to campsite space and moorings.**
